

# With no one left behind...

**March 25th, 2009**

.... would you like to join me there?

When fear is gone, Love is!

There's only one of us. That's why there's nothing to fear.  
There's only one of us is what love is! Are you ok with that?  
(laughs)

... That's called: the queen has awakened.  
(more laughs)

To Ferran: you've been a good queen.  
Now, it's time to receive your reward.

Your reward is God!

When you offer yourself wholly to God, God enters!  
And he enters physically, in the place where you are.  
Why is He going to pierce you physically?

Because: you are not a body!

That's what it means to be a queen!  
... you allow yourself to be penetrated physically, wholly in other words!  
All God has been asking you is; Will you be my queen? Michael, will you be my queen? ( laughs )  
Who else wants to be my queen?

You see, it's the answer to your prayer. You know full well all you ever wanted was me. Yes or no? You wanted it to take shape, it takes shape!  
It's still going to be me. Guys, do you see how the appearance is only a form of love?

How do I know? I read today's lesson.  
What's today's lesson, Dar?

*Love created me like itself*

I love you guys, I love you guys I fucking love you guys!  
Do you understand me?  
I love you physically! Thanks for letting me in...  
(laughs)

I love you guys What a dance!

I'm inside you You are inside me!

Where is the body? I don't know what you are talking about. What body?

The body is always remembered or anticipated, but never wholly here!  
Got it?

I'm trying to locate you there at the threshold, you are very close!

...yes! Thank you is appropriate. Thank you is an appropriate response!

In fact, the only appropriate response ever, is thank you! And I mean ever!!  
Anywhere in the universe, the only appropriate response – if you have to respond at all- is  
Thank you!

I see you've dropped your karma. It was a heavy load! Holly shit..  
I'm glad you are here with us.

Each of you is carrying a burden.  
The burden of your own personal karma, your story. Ok, it's all the same to us, believe me.  
We love you anyway!

Love is all there is!  
Sing a song if you have to. Love will still be all there is!

And love will be all there is physically! Can you hear me?  
What is animating this body? Love! Yes?

How about you?

Sooner or later you let love in. You let Love in! Nothing else

There's nothing to fear, there's nothing to fear, there's nothing to fear!  
There's nothing to fear because there's nothing there!

Say to me: I'm the only one here! Ok, ok

You are not guilty! You see Ana? You are healed, you are not guilty!  
You are the only one here!

Father: Thank you. I'm a thought in the mind of God. Is that ok?

Is it ok that you are thought in the mind of God? That's the frequency!  
That's the frequency, there you are.

Say to me: I'm a thought in the mind of God, I'm a thought in the mind of God yeah, good, good...

Father... father

It's all being taken care off. You know, Emilio? You've completed your assignment. Good work. You did everything you where supposed to do. What did you do? You mounted the recorder on a tripod! Thank you for that. Your assignment is complete. Emilio: you can go home now!  
(laughs)

... that's what I've been trying to tell you. What do you think I've been trying to tell you?  
It doesn't take time! It takes intention! ok I love you guys.

Are you gonna let the queen be right from now on, Emilio?  
Let the queen be right, it's not worth it!

Let the queen be right!!

I love you guys. It's like a game show we are playing a game. What's the name of the show? "The queen is always right!"

I love you guys.  
I love you because I am you and I have no choice!  
You are gonna love one another because love is all there is! Ahhh

I love you... and that's why I can give you back to God.

Thank you

I give you back to God because we come from God. There's no where else we can go... but back to God! Are you ok? You've got no choice.  
Say to me: I've got no choice, I've got no choice! I will awaken, I have no choice!  
I can put it off, I can avoid it, I can invent excuses..... but, sooner or later ... I'm going to wake up!  
I have no choice. It's God's will not mine.

What do you say? You are making the decision. Is this the time? No one is judging you. No one even knows. This is already over- whatever you did in there it's over! It's over!  
It's just a story!

You are not a body!  
I'm not a body!! Neither are you!!

Good, make the decision.

Is it your desire to awaken now? Make the decision! Just make the decision. Your will is done!

When you say so, listen to me, God says so!

Did you hear what I just said?  
Your power IS the power of GOD!

Now, what do you want?

Just breathe....

Just breathe, just breathe, just breathe... I'm right here, I'm right here!

I'm right here. I'm not a body I'm free. Just breathe!

I love you, just as you are. I love you ... exactly as you are, exactly as you are!  
I forgive you...

I accept responsibility for you. Now is the time to go home, Yeah? It's time to go home. Right..

I accept responsibility that's why I'm here.

No one left behind, ok? That's our mantra. No one left behind. It's like the marines: we are not gonna leave anyone behind.

I love you ana. You are with me, you are with us!  
Who's got ana? I've got ana. Do you see, ana? Ana, do you see?  
Everyone's got you - everyone loves you!

When I count to three we are all going to say: I love you to ana.  
One... two... three: "I LOVE YOU ANA!"

I think it actually worked! It looked a little corny but I think it actually worked.  
I love you ana, ana I love you. we are together, we are leaving together, you know it.  
It's nothing to do with our body ideas, nothing! Our body ideas are a lie!

Guys... you're ready to graduate?

Say to me: my body idea is a lie.  
Of course it is! I love you.

My body is no more real than yours is. I love you guys. I love you guys.

Just breathe, just breathe. You are up in Light! Just breathe. You'll be there in a minute. You are looking good. There's leyla...we have you right here...

Who's got cata? Who's responsible for cata?  
You see how it works?  
(Carmen: I was thinking of cata)  
Yes, of course. (laughs) do you see?

It's called: the interlocking chain of forgiveness. We are leaving here!  
These are the guys that have beengiven you, you see! That's all. You're given you.  
You got her, she's been given you. She is just a thought. It's up to you.

Yes, I forgive you. Yes, I accept responsibility. Yes, I love you! It's the same thing.

Ok. Good.

I'm just giving you back to God now. That's what the healing is.

You were His before you were mine!

You come from Him, you come from Him. He is your Source!

As I release you, I release myself!

Our only relationship is that ... is our source!

Our source is our relationship!

I love you is only an acknowledgement of our source.

Yes or no, guys? Good, good, good, here we are.

I love you! All you have to do is say – I love you- and you are free!

I love you. I will not reduce you to something other than love! I will not be separate from you.

My promise to you, no matter where we are: I will not be separate from you! I refuse to be.

I love you I love you I love you I am you.

Good, good, good.

Everyone here? We have everyone? Is everyone here, is everyone here? No one's left out.

Don't leave anyone out!

I will hold no grievances.

I will hold no grievances - i will allow everyone into this circle. Yes? Good

Just breathe, just breathe. You look beautiful.

Father... father here we are in your name. All of these thoughts are yours.

Good

You are the thought which unites them all. You are the only Thought which unites them all.

Don't be afraid to look up now. Don't be afraid to look up, there's nothing to fear!

I love you- love is all there is! There's nothing to fear, there's nothing to fear, there's nothing to fear!! Thank you, thank you, thank you. I love you, I love you, I love you, I love you.

That's it. Love is that. Love is one!

Love only knows itself! Love only sees itself! Love recognizes nothing but itself! That's why there's nothing to fear, ok?

There are only holy thoughts! Yes, good, good.

I'm trying to teach you to transcend your judgment of yourself. There are only holy thoughts!

Yes. Thank you... father.

I can be mistaken but I cannot sin! Thank you. I could be mistaken about who I am but I cannot sin!

In other words, I will always be what I am, even if I refuse to remember it!

Father...

Father, I will remember myself by remembering you! Yes.

Father.... father... father

Ok now, just settle down and breathe. Did you think it was happening to someone else? Its' happening to you!

You are the only one here!

If you allow God to make the correction now - you will be given the vision.

Are you ok? This is the Real thing guys. You are being offered the Real thing. You want it? Ok

Allow God to make the correction. It's very simple. If you allow God to make the correction there will be nothing to fear! Are you ok? Good.

In other words, let God buy your next car!

God has a better idea. You have no idea the extent to which you are wrong.

I'm wrong about everything! That statement is absolute!

I'm trying to get you to the point where you have no time to make a statement.

If you forget everything else, just remember to breathe. If you don't know what else to do, just breathe!

You are being rescued. The only remedy is rescue. You are being rescued! Don't worry about it. That's the vision I'm going to share with you now if you are ready to accept it from me.

No matter how it looks, no matter how it appears..... the outcome is certain! That's the vision I'm trying to share with you.

The outcome is guaranteed by God.

Just breathe and you'll be fine. Don't worry about it. You are not gonna be a body in any case so don't worry about it.

Are you ok, guys? It just gets closer and closer. You are crossing over. Just breathe, you look beautiful, just breathe.

Accept this correction and it will all be clear to you. You will never be confused again.

It always helps to breathe before you speak.

Now if you insist on going back ..... breathe before you speak!

I will step back and let him lead the way.

I love you guys, I love you. I'm here with you. We are leaving together...

We are leaving together and we are taking everything with us. Are you ok with that?

We are gonna save the entire species.  
You are the heroes.

Good ..... good! All you had to say was: "I can't do this anymore!" That's all. That's your salvation.  
Whatever this is, I can't do this anymore!

Father, you determine the outcome. My will is yours.

Thank you, thank you, thank you.

Thank you. There's one problem and there is one solution. Keep it simple, you'll be fine.  
Adjustments are being made. You will not forget! I promise you, you will not forget!

We have a mission here; we have an assignment. We are just fulfilling our assignment.

Try not to be too concerned about how it looks.

Who cares how it looks? It'll look exactly as it's supposed to.  
You will be given everything!  
You will be given everything you need, to complete your assignment.

I'm being given everything! Yes.  
What's the only appropriate response?  
Thank you.  
Good.

Thank you.

It's called "limitless undying love ..... which shines around me like million suns and calls me on and on across the universe..." it's a good song.

Play it, will you? The female version, that's the one, Fiona Applegate ....I just made that up.

Is everyone ok?  
Remember why you are here? Remember... yes? You are not going to forget this time I promise!  
Why? Because..... (song begins to play)

I love you.... That's your whole eastern tradition  
There it is, hail God! Praise God!  
Thank you, thank you.  
"Jai guru deva..." Thank you, thank you, thank you father, thank you.

Thank you father for rescuing me!

I was insane but God found me. That's it. It's a course in miracles!

Don't be too disappointed now, it's very close.  
You are closer than you know...  
Good.

You can't stay here very long once you are consistent!  
When you consistently remember that you already left, you cannot stay here very long!  
It's the top of the spiral.  
You are remembering for everyone, yes!

Be a demonstration of that remembering, will you? Will you do that with me?

Be a demonstration of the remembering. That's how you remember!  
Thank you

Good. I'm here on his behalf. I'm here on his behalf. How can I serve you?  
I'm not here for myself alone. My self alone is very, very small!  
How can I serve? How can I serve?

How can I serve? How can I serve? I love you! How can I serve?

You wanna stay in light with me? You are not afraid to stay in light, are you? Ok  
Everything will unfold perfectly. And you are completely undisturbed by it.

That's the world I'm offering you. That's a stable identity. Trust me. You are above the world. It  
can't touch you.

You are here in service. You are the Light of the world! Yes?  
The light simply shines....ok, that's what it does! It's not concerned about the outcome. The  
outcome is certain. It's the vision that I'm offering. The outcome is certain and guaranteed by  
God!! Guaranteed by the Light in you! Ok? I love you

Shine.... I think we have a song.

Shine... shine!

Thank you, thank you..... Shine! That's how you stabilize. SHINE!

The only thing the light wants to do is: Shine! (plays song)

Remember to breathe before you speak! ..... If you have to speak at all!

My suggestion is: Don't speak! But if you must; breathe first!

It's a threshold idea!

Listen...

... where.... 'in your eyes... the words I need are in your eyes" good, thank you- I love you

I love you ... it's not difficult! You are a thought in the mind of God! What do thoughts do? They  
SHINE! That's what they do! It's what they are!

You won't forget this time!

I won't allow you to forget! Can you hear me? I won't allow you to!

If you forget I will remind you that you remembered!!

Because I love you I won't let you forget!

Stay in the mystery, will you?

Stay in the mystery! The signs are all around you. Ok guys?

There are snakes in the fire pit. What is that?

That's a very mysterious reference. What ... No, you didn't think that occurred by accident. It's wholly intended!

Come on. Come on.

It's intended by you to remind you.

You placed the evidence there,  
you placed it from outside of time.

Thank you.

There's a snake in your fire pit, is what the kundalini awakening is!

Ok?

Notice the spiral shape.

Nothing happens by accident, nothing. Everything is evidence that you've already left here!  
Everything you see is evidence that you already left here.

Being sick and tired of me is being sick and tired of your self! ... And there you go.

I'm not offended.

I'm waiting for you to be sick and tired of me!

You think I have some investment in this?

Only those without investment can invest!

That'll be your session for today. Write it down.

What brings you here?

Nice to see you!

Are you here to serve? I thought so!

Me too!

My name is: 0 7 6 5 3 2 1.

I love you guys. I love you, you look beautiful.

Try not to take your role too seriously. Will you do that with me? Try not to make a big deal out of the role you are playing. It's just a fucking role!

All right?

It's neither more than nor less than that, it's nothing. It's a role!

I love you guys. Don't worry about it.

We look good. We are going home!

This time I won't let you forget, I promise! I'm not gonna let you forget this time! I'm not gonna let you forget this time!

I mean you are gonna be begging me to forget! I'm not gonna let you forget!

"I wish I had taken the blue pill..."

It's too late.

It's too late for you!

Are you ok?

The truth is: I'm the only one here.

Remember you've been given one another.

All around you are the gifts.

Keep your eyes open.

If you look for the gifts you will see the gifts.

If you look only for the gifts you will see only the gifts!

Don't worry. There's no world.

There's not gonna be a world at any case! It's just gonna be a reflection.

You will find what you are looking for, exactly what you've been looking. Thank You.

It sounds like: a course in miracles! What did you think it was, just another book?

Guys, I love you. Everyone, ok?

Keep this disposition open. Will you? Ok. Good. You can do it.

There's no reason why you can't. I'm just showing you how it's done. You can do it. Just as I can.

The outcome is certain and guaranteed by God!

You'll see evidence everywhere. You are gonna learn to laugh! You are gonna remember who you are, that's all!

There's no death, there's only realization!

Realization is the death of the ego!!

When you can look right at that idea, what you call the ego, and laugh, you are above the world!

Ok? You're gonna demonstrate that with me?? Good.

Remember you make a decision to associate with the ego, that's a decision that you make. Just, as you make a decision to associate with God. It's a decision that you make. Ok? That's the threshold.

I refuse to associate with sickness!

I refuse to associate with lack!

I refuse to get old!

I refuse to die!

That's a decision that you are making. And I will not forget this time. I will not pretend that there's something else going on.

There's another world I am seeing. That's the world I wanna see! Are you ok guys?

I know it's difficult to go back to business as usual. It's not any less difficult for me.

You've been given the solution. Remember it.

You will see evidence of the solution everywhere you look!

Be happy, be glad, be grateful! You've been given everything!

Father... thank you thank you

We are going home together

No one left behind! ..... That's Jesus

Thank you...

It's a privilege to serve!

I'm just simply remembering my purpose, that's how you remember. When I remember, you remember!

And I got this role because no one else wanted it. It's not a privileged role.

We are just playing a part, we are leaving together. Ok? Guys

I won't let you forget this time!

... Just get some rest , guys just get some rest.

Take a day off if you have to, just get some rest. There's nothing that needs to be done. It can wait till another day...
